

A series of thin, dark, wavy lines that flow from the top right corner towards the center of the image, creating a sense of movement and depth.

EVEN E

EXPERIENCE THE JOURNEY

## EXPERIENCE THE JOURNEY

Evene is a commitment to change; born from a restless, revolutionary spirit.

It is a commitment to crafting better boats, using better techniques and better materials – anchored in an acknowledgment of our changing world and a respect for the ocean. But this is a voyage, and there is a distance still to travel.

Drawing on our storied heritage and ever-curious nature, Evene brings to the water our most elegant and responsibly crafted boats to date. Balancing beautiful, traditional craftsmanship and progressive thinking, our vessels provide an elevated extension to the superyacht.

A customisable tender for uninterrupted luxury and effortless exploration.

## ECO-UPHOLSTERY

Fabric ranges which reduce landfill waste with new backing 100% made with recycled PET bottles, and over 50% of the polymer uses bio-attributed components

## CORK DECKING

Cork is a prodigious raw material with unmatched properties and a natural regeneration process. Cork forests are a haven for biodiversity and storehouse of co2 which reduces greenhouse gas emissions.

EFFICIENT HULL DESIGN

Evene Tenders have established a strategic partnership with Petestep®, who deliver patented hull technology for a better ride.

HVO 100 APPROVED

We have experienced up to 97% less net Co2 emissions With HVO100 in our boats and fleet vehicles, compared to standard diesel fuel.

# THE ORIGIN SERIES

ORIGIN 57  
9 Persons

ORIGIN 71  
13 Persons

ORIGIN 57

Balancing beautiful, traditional craftsmanship and progressive thinking, the Origin 57 provides an elevated extension to the superyacht.

SPECIFICATION (PROVISIONAL)

LOA	5.65m (18.5ft)
BEAM	2.25m (7.4ft)
SEATING	9 Persons
DRY WEIGHT	1340kg (2954lbs)
FUEL CAPACITY	100 litres (26 US gal)
ENGINE	Yanmar 4LV 195hp Diesel
MAX SPEED	40mph / 64kph
OVERALL HEIGHT	1.55m / 5.1ft (Low Profile 1.30m / 4.3ft)
TYPICAL FITMENT	30m+ (98ft+)
LIFE CYCLE (PRODUCTION ONLY)	17,840kg CO2e

STANDARD FEATURES (PROVISIONAL)

Removable upholstery	Single lever shift control with neutral adjustment	Towing Points
Efficient Petestep® Hull	Plug-in navigation lights (Port/Starboard & Running)	Adjustable sliding helm seats
Cork Decking	Ski tow eye	Adjustable Evene stylised steering wheel
